

MINUTES
Long-Range Planning Committee
June 14, 2004

Committee Members Present: Jesse Feiler, Margaret Feldman, Ron Oppen, John DeJoy

Staff Present: Josh Cohen

General Recommendations:

1. Charge libraries for non-core services such as technical support, graphic design, and Web hosting.
2. Recommend to the Incentives Committee that all grants and incentives be matched by the libraries.
3. Market MHLS expertise to other non-profits (e.g., children's library consulting for daycare centers).
