Teleform FAQ

- Teleforms works like all other notices in Millennium. You must prepare them and send them.
 - Once sent the phone number is tried 3 times. If the message cannot be left or the patron does not answer, the notice will be moved to your print queue
 - Each library will have their message indicating their pickup location info
 - The date that the item will be held until is included.
 - Answering machines are fine. People who forget to relay messages are a problem.
 - Long distance numbers from Poughkeepsie must include area code
 - All punctuation in phone numbers is ignored. Other text will cause a problem
- If you can foresee or think up other issues, please email me.
