Comments: Subscribers, please only send comments to the entire list when it contains information everyone needs to know. When you click "reply" on your e-mail program, your reply is sent to the author of the message. Clicking "reply all" will send your reply to the entire list.

Subscription: Director email addresses, collected through the Member Library Information update, will automatically be added to the MHLS Alerts List. Only the member library director may request to add additional staff email addresses to this list. MHLS suggests that the staff who serve as the administrator-in-charge when the director is out of the building be subscribed. Requests should be sent to techsupport@midhudson.org with the subject line: "MHLS Alerts Subscription Update"
