**Friends Mission Statement**

The purpose of the organization is to further the interest of the public in the Starr Library and to actively and financially support the activities of the library in cooperation with the Library Board of Trustees.

**How is the Money Spent?**

Your generous membership donation provides critical support to supplement public funding. The Friends have given \$90,000 to the recent building campaign. In addition, the Friends,

- Contribute to the purchase of new books, DVD's, and books on CDs.
- Support special library programs such as the children's story hour and activities; also special teen programs.
- Contribute to other general needs of the library.

We are not only looking for more members, we need active members.
