

MHLS Services, Resources, Priorities & Actions

February 2016

1. Develop a detailed report analyzing MHLS services including describing each service, allocating resources to each service, stating outputs & outcomes for each service, and determining the value per service.
2. Review MHLS Plan of Service to ensure the Plan of Service and the findings of the Moving Forward Assessment are aligned.
3. Seek prioritization of MHLS services by stakeholders.
 - a. Measure success based on meeting member library needs in support of excellent services.
4. Use the findings of the Moving Forward Assessment for developing the MHLS Plan of Service for 2016-2021.
 - a. Identify new services stakeholders wish MHLS to support.
 - b. Add an Action Plan component to MHLS Plan of Service.
