- TOTAL number of **teens** who registered for/participated in the Summer Reading @ New York Libraries program in 2022:
- TOTAL number of **adults** who registered for/participated in the Summer Reading @ New York Libraries program in 2022:

PROGRAMS

Live or Synchronous Programs: Please note the new wording and revised definition of *library programs* that will appear in the 2021 Annual Report to New York State. *Synchronous Programs* now refers to everything that was previously called Programs. Programs happening live or in-person (including virtual program sessions that are live-streamed) are now referred to as *Synchronous Program Sessions*.

Asynchronous Virtual Programs: Pre-recorded online events.

Take and Make Activities: Pre-packaged kits and activities for use off-site by patrons.

If a question is not applicable to your library please use N/A in the answer field.
