# 2020 was not a typical year but through it all we stayed connected…

Programs

In-library programming transitioned to Zoom. Art classes, short story discussion, knitting groups, exercise sessions, story times, crafternoons, make-and-take crafts and so much more kept us connected.

Some of our favorite programs found ways to involve the entire family, or to connect with kids on some of their favorite interests – Harry Potter and Wizard Camp, Family Trivia Nights, Graphic Novel Book Club.

ZOOM
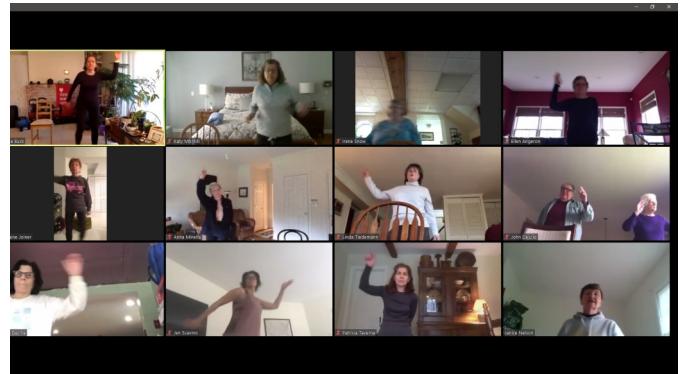

Special programs with Muldoon lifted everyone's spirits.

Window restoration was completed and new storm windows installed.

Little Free Library

Always open, even when the library doors could not be, the Little Free Library helped keep us connected. During the holidays it was stocked with non-perishables. At other times it was stocked with reading materials to be browsed and shared.
