ⁱⁱ This number includes your OverDrive eBook, eAudio, and eVideo statistics. If your library has additional statistics for similar online library resources that require user authentication and **have a circulation period** (for example Freading, Hoopla, or Kanopy) add that usage here.

ⁱⁱⁱ This number includes any TumbleBooks statistics (which are collected by library patron barcode prefix). It also includes your portion of the database statistics (assigned on a per capita ratio) from the systemwide group buy databases (JobNow, Mango, Universal Class). If your library has additional statistics for similar online library resources that require user authentication but **do not have a circulation period** (for example Acorn TV, Qello, Great Courses Online, Freegal, or Indieflix) add that usage here. Novel NY stats cannot be retrieved specifically by library and are not counted.

^{iv} This number includes Sierra system holds circulated at your terminal which were received from other member libraries, and holds checked out in Sierra using the recommended process of “ILL dummy cards” with an ITYPE of ILL.

^v This number is a count of the number of times your items are checked out at other member library locations.
