Google My Business

- Why do I need to verify my business?
 - Verification allows Google to confirm that you are the rightful owner of the business, so that you have permission to manage your Google Business Profile.
- How do I verify my business?
 - It's easy: For most businesses, you can verify ownership over the phone, via SMS, or by requesting and receiving a postcard to your address from Google.

Workin' on it

- Tracking the volume of checked out items
- Tracking holds and holdshelves
- Tracking notices
- We are also working to update due dates with errors in the dates due to checkouts during closed periods. These due dates are being matched as closely to the normal loan periods as possible.

What is Sora? Sora is an app, like Libby, that was designed for students to use in accessing the Overdrive content that their school owns. It provides teachers and school librarians a platform to :

Statistics can be filtered for Sora in Marketplace

The screenshot shows the OverDrive Marketplace interface. The top navigation bar includes 'SHOP', 'INSIGHTS', 'ADMIN', and 'CURA'. The main content area is titled 'Checkouts' and includes a link to a help article. A 'Report options' modal is open, allowing users to filter the report. The modal contains the following options:

- Checkouts by: Branch
- Borrowed from: All
- Branch: All, API, Kids' eReading Room, Libby, Main collection, **Sora**, Brewster Public Library, Cairo Public Library, Canaan Branch of Chatham Public Library
- Lucky Day: All checkouts

A red arrow points to the 'Sora' option in the 'Branch' dropdown menu.
