

# Welcome!

We are so excited you've joined the Pleasant Valley Library! Libraries today offer more than just books; did you know we offer eBook and eAudiobook downloads, Chilton Car Repair Manuals, language learning software, museum passes, and Consumer Reports online - all for FREE? These are just a few of the amazing things you can access through your new library! If you [visit your patron record](#) online you are able to see what you've checked out, when your items are due (and renew them if necessary), and place holds- all from the comfort of home. Check out our [online calendar](#) to see what events and programs are going on at the library. We offer a variety of programs for all ages, like:

- Storytimes for Toddlers and Pre-K
- Yoga and Meditation classes
- Weekend crafting sessions for kids and adults
- Chess and Crochet Clubs
- Monthly family movie nights
- Reading with Molly, a Certified Therapy Dog
- Special, topic specific programs (some previous ones have included: gardening, beekeeping, the history of tea, and local authors)

Most programs offer online registration, so you can sign-up without leaving your house!

**\*\*We understand that life gets hectic sometimes and you forget that you've checked out some stuff from the library. So hang on to this email! Show it to us on your phone or print it out, and we'll give you a one-time half-waive of your late fees!\*\***

If you have any questions, please contact us! We can't wait to see you again soon.

Sincerely,  
The Pleasant Valley Library Staff
